PERSONAL DETAILS

- Total Experience 6 Years 6 Months
- Current Location Nagpur
- Date of Birth Feb 20, 1990
- Gender Male
- Marital Status Married

SKILLS

- English
- Currently Working In Tyre Manufacturing And Process Industry Having Well Fernesh With WTP
- AHU
- Compressor And STP
- ETP
- Mechanical Maintenance
- New Innovation And Innovative Ideas For Tyre Industry
- Quality Analyst
- Mechanical Maintenance Engineer

TECHNICAL SKILLS

- SAP
- H4 Hana Sap

LANGUAGES KNOWN

- English
- English

PROFILE SUMMARY

New innovation and innovative ideas for green field project handling and mechanical maintenance head and purchas department handling Cost management: 1) cost savings measure through innovative ideas and optimum usage of machine manpower energy process and reduce cycle time etc 2) Ensure effective utilization of materials during the production process consumables like oil tools etc to ensure reduction in wastage.. 3) New Tyre design concept and new concept Tyre scrap reduced... 3) project planning 4) project commissioning 5) operation spare management 6) installation and commissioning 7) Training development 8) Root cause analysis

EDUCATION HISTORY

Post Graduation

Course	MBA/PGDM(Operations)
College	Nagpur University
Year of Passing	2023
Grade	8/10

Graduation

Course	B.Tech/B.E.(Mechanical)
College	Rajiv Gandhi Institute of Technology management
Year of Passing	2020
Grade	Pass

WORK EXPERIENCE

Oct 2019 to Oct 2019

Management Executive at Ceat Ltd

Oct 2019 to Oct 2019

Management Executive at Ceat Limited.

- English
- English
- English

COURSES & CERTIFICATIONS

- Robotics Process Automation
- Bulk Material Handling
- Operation Supply Chain Management

currently working in tyre manufacturing and process industry having well fernesh with WTP, AHU ,compressor and STP, ETP, mechanical maintenance ,manpower handling fabrication works and project handaling work and Quality

Oct 2019 to Oct 2019

Management Executive at Ceat Limited.

currently working in tyre manufacturing and process industry having well fernesh with WTP, AHU ,compressor and STP, ETP, mechanical maintenance ,manpower handling fabrication works and project handaling work Quality

Oct 2019 to Present

Senior Engineering Officer at CEAT

senior Engineer and management executive

Oct 2019 to Oct 2019

Management Executive at CEAT

Shift incharge currently working in tyre manufacturing and process industry having well fernesh with WTP, AHU ,compressor and STP, ETP, mechanical maintenance ,manpower handling fabrication works and project handaling work

Oct 2016 to Oct 2019

Mechanical Engineer at Electrosteel Casting

utility mechanical maintenance incharge and project management handling

PROJECTS

Greenfield project handaling and mechanical maintenance and project management handaling, 1469 Days

Phase 2 green field project handaling and innovative ideas and innovative solutions
